

Hello Families!!!

I am so excited for a brand new year at Cole Academy! Below, you'll find the 5th grade student supply list.

Students will be provided with a homework folder and planner by the school that will go home with every student each night. This is **very important** as this will be a daily communication of homework and classroom information.

Individual supplies that each student needs to bring:

- Five folders (one for each subject; color coded would be helpful)
 - Math, Reader's Workshop, Writer's Workshop, Science and Social Studies
- Four journals (preferably spiral; color coded would be helpful)
 - Math, Writer's Workshop, Science, and Social Studies
- One Composition notebook (for Reader's Workshop)
- Student Dictionary
- 1 package of #2 pencils
- Headphones
- Water bottle
- Pack of highlighters
- 1 package of loose leaf paper

Community classroom supplies that would be helpful, but not mandatory:

- 1 container of clorox wipes
- Boxes of Tissue
- 1 bottle of hand sanitizer
- Snacks (this will be a "class stash" for whenever any student forgets a snack!)
- Sticky notes
- 1 package of extra pencils
- 2 extra notebooks
- 1 package of extra loose leaf paper

If you have any questions about any of the supplies on the list above, please feel free to email me at reedb@coleacademy.org

Let's get ready for a great year!
